

December 1, 2014 Argyle Village Board Meeting

Those in attendance: Mayor Wes Clark; Trustees Jonathan Mackenzie, Cher McCotter, Joanne McDowell, Joseph Lohret; Water commissioner Garry Robinson; Clerk Joyann Stimpson; and Kate Johnston from the Journal Press.

Meeting called to Order at 5:30 P.M.

Next meeting to be January 5, 2015

Mayor gave board update on sidewalk project

- 5 driveways need to be finished
- all the holes were filled in
- concrete could no longer be poured due to cold and the concrete is salt sensitive
- some equipment is in Trustee McDowell's garage and needs to be moved to the Stiles' House
- everything will be finished in April of 2015

Gary from the old school apartments was not able to come to meeting.

Water Commissioner Robinson gave his water report

- at time of meeting water tank was at full capacity
- well #2 has a brand new pump
- problem with tank stemmed from the fact that the water level in the wells was lower than the pumps
- pump tech will shut pump off and goes into a "time out" before pump restarts
- well #4 is the largest production well
- Village needs another water supply
- he will be meeting with Liese and the DOH
- Village does not have ownership of the land surrounding the tank
- inside village limits is not a good source for water
- no land around tank for sale
- can not drill too close to Summit Lake
 - we would result in needing a filtration system because of contamination from surface water
- reverse 911 worked fantastic
- well#2 stopped producing on Monday of week of water problem
- Village needs another well
 - cost would be \$30.00 per foot and be less than \$35,000.00 total

On a motion made by Trustee Mackenzie, seconded by Trustee McDowell, and carried a resolution was passed to dig another well deeper than 330ft. and next year to expand well house.

Continuing with Commissioner Robinson's report

- fracking is not real productive

- water out of Summit would be expensive to clean
- there is land next to the Lufkin property that is 400ft x 400ft that is the minimum size parcel for a well site
- lead and copper test came back clear
- installation of the water meters have to be finished the spring of 2015-if Randy Cuthbert can't get them finished Village needs to find someone else

On a motion made by Trustee McDowell, seconded by Trustee McCotter, and carried the clerk was allowed to pay warrants for month of December.

On a motion made by Trustee Lohret, seconded by Trustee McCotter, and carried, the minutes from the November 2014 Board meeting were accepted as written.

On a motion made by Trustee Mccotter, seconded by Trustee Lohret, and carried, the meeting was adjourned at 6:59 P.M.
