The Argyle Village Board and the R Stiles Renovation Committee would like your thoughts on a few questions that we've been asking ourselves. Since the R Stiles house at 55 Main Street belongs to the village, we want to be sure that you feel like you are part of what happens to it. *(If you don't return this, we'll accept that you trust us to make whatever decisions need to be made and/or you simply do not have interest in this project.)*

### 1. How long have you lived in the village?

- Less than 10 years       15 to 20 years       I don't live in the Village, but I did
- 10 to 15 years       More than 20 years       I've never lived in the Village

### 2. What type(s) of purpose(s) do you think is a good fit for the Stiles House? How would you like to see the Stiles House used? Please explain why...

### 3. What type of events would draw you to the Stiles House?

### 4. What have you observed other communities doing with a similar type of building...a large home with historical interest? Do you have an online example that you would like the village board to look at?

### 5. When was the last time you visited the house?

- Never       Within the last 3 years       More than 3 years ago

### 6. Did you know that NO taxpayer funds have been used to renovate the house, to date... all renovations have been made from fundraising events, private donors and some very hardworking volunteers!

- Yes       No       That really surprises me!

### 7. Would you mind if we contact you, if we find we need some more input about any of your thoughts? If you are interested in talking with us, please supply your name and the best point of contact here...
